Introduction

This version of our User documentation is designed for Directors of Religious Education (DRE) and other parish coordinators operating in a learning management capacity.

Navigating Our Website

Before you get started, it is helpful to familiarize yourself with the layout of our website:

Main Navigation Bar

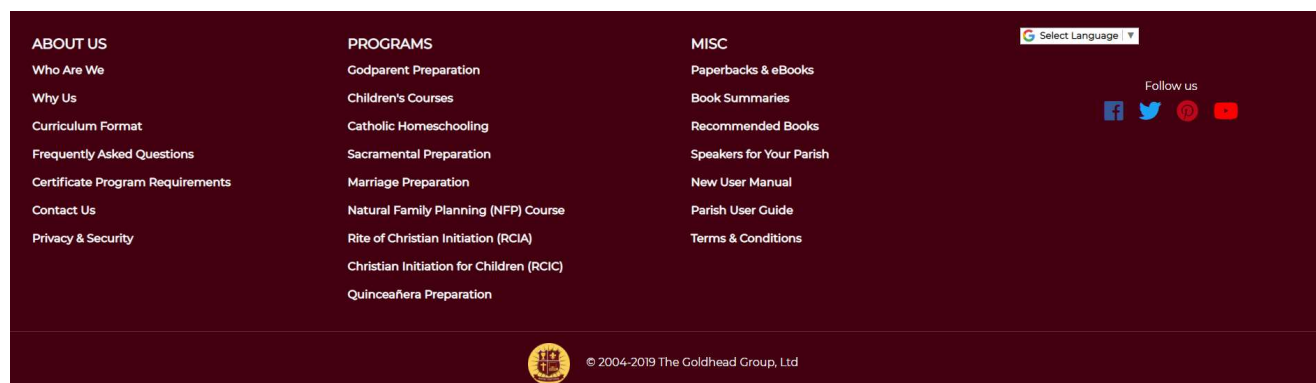

This persistent navigation tool located at the top of the page is your starting point for most administration activities. Here you may login to CatechismClass.com and access your lessons, search for new courses, and request Support assistance.

The number and types of links available in the Navigation Bar will change depending on whether you are logged in or logged out of your account. Please also note that the types of available links may change over time, as we continue to develop CatechismClass.com and offer new or updated features.

Content Area

This body section of the webpage features the content of your lessons and other information that we publish on CatechismClass.com. To view a new page, scroll up to find and use the Main Navigation Bar or scroll down to find and use the Information Links.

Information Links

This persistent navigation tool located at the bottom of the page offers additional resources related to CatechismClass.com. Some of these links guide you to the same features or pages listed in the Main Navigation Bar. Other links are unique to this particular space. Please check this information area regularly, as we may publish new resources in the future.

Getting Started

Thank you for considering CatechismClass.com for your parish's religious education course material. We have many satisfied parish customers, as well as homeschoolers, individuals, and families.

Please use the Register tab on our website, and then contact us to upgrade the status to DRE. Reference the Username that you chose in your support ticket.

Logging Into Our Website

Once your Parish Coordinator account is ready and you been upgraded to Parish Coordinator status:

- From the Main Navigation Bar, click the “Log In” link.
- Type in your Username and Password in the provided fields. You may select the “Remember Me” option if you would like our system to login your User Account automatically upon your next visit to the website.
- Click the “Login” button to proceed.

Upon a successful login, you will be directed to a “Welcome” / “My Lessons” screen. This screen will display your parish's available courses if any have been purchased.

The screenshot shows the 'Welcome' page of CatechismClass. At the top is a dark blue navigation bar with the site name, 'Welcome' message, and links for 'My Account', 'Log Out', 'Courses', 'Help', and 'Cart (0 items)'. Below this, a section titled 'Your Available Lessons:' lists seven philosophy courses, each with a 'No Quiz Taken' status. The main content area features three columns of links: 'ABOUT US' (Who Are We, Why Us, Curriculum Format, etc.), 'PROGRAMS' (Godparent Preparation, Children's Courses, etc.), and 'MISC' (Paperbacks & eBooks, Book Summaries, etc.). A 'Select Language' dropdown and social media links are also visible.

The “Welcome” / “My Lessons” screen greets you after logging in to CatechismClass.com

Please note, if you have purchased multiple copies of, for example, Grade 3, for distribution to your students, this “My Lessons” screen will not show multiple copies but only single copies of the material. More on this topic will follow later.

A “Log Out” link replaces the “Log In” link within the Main Navigation Bar once you access your User Account. Use this new option to exit your User Account.

Updating Your User Account Detail

If you need to change any of the contact information that you provided while signing up for a Parish Coordinator account, please follow these steps:

From the Main Navigation Bar, choose the “My Profile” link.

This screenshot shows the 'Your User Profile' page. The navigation bar is identical to the previous one. Below the header, the page title 'Your User Profile' is displayed. A dropdown menu is open from the 'My Account' link, showing options: 'Admin Panel', 'My Parish', 'My Lessons', 'My Quiz Results', 'My Profile' (which is circled in green), and 'My Prayers'. The main content area shows fields for 'User ID:' and 'Username:'.

The “My Profile” Link

This “My Profile” page displays the account details stored in our system. Please verify you would like to make a change before proceeding. Click the “Update Your Profile” button. Make your desired changes and then click the “Update My Information” button to complete the process.

Student Management—Assigning Lessons

From the Student Management Panel:

- Click on the “Details for [Student’s Name]” row heading to view that student’s profile information, and then click on the “Assign Material” link.
- Choose an item using the drop-down selection tools. Click on the item to be assigned to highlight it. Note that the available options here are only those products acquired by the Parish. If a student purchases material independently, then your coordinator user account will not have access to manage those assignments.

You can assign courses to students only that you have purchased or have been licensed for by CatechismClass.com. If you need to make assignments of a course to multiple students, you need to have multiple copies in your account. The multiple copies are not shown in your personal account as mentioned above; but only in the drop-down selector while assigning materials. Once you assign a

copy to a student, your available courses to assign are reduced by one. For example, if you have four copies of the 5th Grade series, and you assign one to a student, then you still have three available copies to assign to other students.

You can assign any number of courses to a single student however this will take more than one instance of the process. Students can access their lessons immediately upon being assigned a course by using the Username and Password that you have assigned to them. **YOU CANNOT UNDO A COURSE ASSIGNMENT.** Proceed with caution, and contact CatechismClass.com if you make an error in course assignment.
