Parents Purchasing for A Child

When an adult purchases courses for a child for the first time, they will see this note:
Any child enrolled in a Grade Level or Sacramental Preparation Program will need his or her own account to get credit for the work.

Parents Creating an Account for A Child

Click on "My Account" from the Main Navigation Panel and the drop-down list box, select "My Students" and the "Student Management Panel" page renders.

Click on the "Add a Student" button and the "Create Student" page renders. The "Create Student" page and process are very familiar to New User Registration which was previously described.

Assign A Child Course Material

From the "Student Management Panel" and under the heading of "Active Students Details" click on the link of the child and under the child's name, the "Student's Courses List" text box renders.

Click on the "Assign Material" button and you are brought to the "Assign Learning" page.

Highlight the course on the "Assign Learning" page and click on the "Submit" button. You are brought to the "Lesson Assignment Complete" page.

Verify in your child's account that the courses you have assigned to him/her are in his/her own account.

Please note that you may assign each purchased item only to one student. Once a parent has assigned an item to a child the item is physically transferred to the child and no longer appears in the parent account. For example, if you have both a 3rd grader and a 6th grader and have purchased courses for both, you can assign each student his/her grade level's course only. If you have two students in the 5th grade, you can assign only one copy of the 5th Grade program to one student. A second copy of the 5th grade courses needs to be purchased to be assigned to the other student.

You have not met the required minimum reading time for this lesson.

Please go back and start again.

A Quiz is available at the end of each lesson. Quiz is a way for priests, parish religious education directors, parents, etc. to ensure that their students have sufficient knowledge and can comprehend the material conscientiously. Special Notes About Programs for Retakes

The student who is enrolled in the "Adult Faith Formation" and "Full Catechism" programs is also entitled to retake quizzes at least once after all lessons are completed, including any electives. Upon completion of all lessons, the student may ask for an "Administrative Review" which is done only once per student. At that time requesting a retake for any lesson will be granted.

There are more requirements when the student requests a retake to complete one of the "Sacramental Preparation" programs. The Sacrament Preparation is more than just a single lesson. They are combined with a "Catechism Program". All confirmed Catholics must know and fully believe that the Sacraments are efficacious signs of grace, instituted by Christ and entrusted to the Church, by which divine life is dispensed to us. It is advisable that you click on the "Courses" menu at the Main Navigation Panel and select "Course Selector" to find out in more detail the requirements for "Certification of Completion" in the "Sacrament Preparation" program.

Attributes of Quizzes

The following describes the attributes of Quizzes that you are to take when completing the lessons.

You will have anywhere from Three to 25 different questions to answer. Children's lessons usually have around five questions while adults typically have 10 – 15, although some lessons may have more questions.

Questions may include both true/false as well as multiple choice formats.

You must complete all quiz questions before you are granted access to the "Submit Quiz" button at the bottom of the last page of the quiz. This is designed to prevent accidentally skipping a question.

8. Catholics are bound to believe in all apparitions because they are dogmatically defined

⦿ True   ○ False

Please check your work before submitting!

Submit Quiz

For the child/student to receive the Certificate, he/she must reach a certain level of score on the Quiz. For example:

- The Baptism Lessons (for Grandparents or parents) must always pass at 100%.

- The Sacramental Preparation Lesson (For Godparents for a First Communion & Sponsor

- for a Confirmation) must always pass at 90%.

- All other lessons must pass at 70%.

- For certain lessons when the child/student reaches the above-mentioned scores for these specific courses but fails to correctly answer any of the questions that are deemed "fundamentally necessary for a Catholic", the child/student is required to retake the lesson.

If the child/student didn't reach the acceptable level of the score, the application will present up to two (2) "remedial lessons" to help the child/student gain a better understanding of their failed answers. Each "remedial lesson" requires an 80% score to pass and with that, the original lesson will be "reset" for the 2nd try. This process will repeat should the student not obtain an acceptable score on the 2nd try.

In the case when the child/student failed to meet the acceptable score at the 3rd attempt, the child/student is presented with on-screen instructions to write and submit a short (one or two sentences) explanation in their own words of their understanding of the doctrine within his/her errant answer. That writing is judged and if sufficiently explained, the Quiz will be re-scored, and the child/student may attempt the quiz again.

After the child takes the quiz for the first time, the "Quiz for 11th Grade: Name of the Course" page is rendered, displaying the score and "Review Your Submitted Answers".

Dear Agnes Lee, On 2022-07-07 10:13:11, Louisa Ma scored a 80% on the quiz for lesson 505

11th Grade: Lesson 8: The Holy Eucharist

Allow a Retake?

Submitted Answers

The following breakdown shows each question, the submitted answer and the correct answer:

Question	Your Answer	Correct Answer	Correct?
What is another name for the Holy Eucharist?	All of the Above	All of the Above	CORRECT!
Modern Eucharistic miracles continue to be unexplainable even by modern science	True	True	CORRECT!

The parent clicks on the "Allow a Retake?" link in the email and he/she is brought to the CatechismClass.com home page with the message "Quiz Retake Assigned". In the Child's "Your Available Lessons" page, "Retake Granted" is displayed in the same row of the course.

Click on the "Retake Granted" link and the screen displays "Quiz Results for student name" with "Retake Status: Was Granted." Click on the link of the lesson such as "11th Grade: Lesson 8: The Holy Eucharist" and the "Click to Retake" message is displayed.

Go through each page of the lesson and at the last page, click on the "Quiz" link and take the same quiz.

The parent would receive an email in his/her account from CatechismClass.com notifying him/her that the child scores on the quiz.

Following the successful completion of the retakes, the child/student will be eligible for a Certification of Completion. Should there still be lessons that have failed after the 2ⁿᵈ time, the child/student is to write a statement about his/her understanding of the failed question which will be subject to Administrative Review.

Special Notes Concerning the Quiz

Please know that idle time with an open quiz screen is seen by our host service provider as a dead connection and they may disconnect you without notice. We have no control over this. You may still see the quiz screen page as it was but the submission in that case may result in a zero (0%) score. If this happens, please contact us for help.

Some system notations will appear both at the top and bottom in red with further instructions regarding steps to be taken for successful completion of the quiz.

You may revisit the results for each of your completed quizzes by clicking on "My Account" in the Main Navigation and then selecting the sub-menu of "My Quiz Results". This page offers cumulative performance statistics for your User Account, as well as links to each "Quiz Results" page.

As you are taking part in this course in preparation to receive the Sacraments (not as a self-study course) and you have taken all the required quizzes, you may need to be required to print all your quiz results for your parish. We at CatechismClass.com are obliged to write a letter of support to the parish indicating that you have completed the program and have passed the Quiz, provided that your average score is at least 70%. In the case that your score is below 70% or you missed any questions that we deem "fundamentally important for a Catholic", it will be necessary for you to retake those tests before a certificate is granted.

If you want to see the complete Policy regarding passage for your specific courses, please check our course requirements. https://www.catechismclass.com/cert_requirement.php
